WINS MENTION

The Frank Mortons, of Middlebelt road, are justly proud of daughter Jill, an eighth grader at Barnum school, Jill, who aspires to be an artist, received commendable mention among finalists in a national contest for school safety posters. Conducted by the American Automobile association of Washington, D. C., the theme for this year's contest was "Be Alert in Rainy Days."

Jill, who reached her 14th birthday on May 27, was guest of honor when relatives gathered at the Morton home May 22, for a barbecue. On Friday the family celebrated with a smorgasbord dinner at the Stockholm.

The walls of the Beeler Boys' Lodge on Big Creek, near Lucerne, were bursting at the seams the weekend of May 20 when the cabin was invaded by 20 members of the Walnut Lake Men's club.

On the invitation of "Doc" Richards, of Walnut Lake road, the men chartered a bus for the trout fishing trip. The weather was ideal on Saturday, but on Sunday the fishermen had a few showers to contend with.

The largest fish, a 13 1/2 inch brown trout, was caught by Stewart Harrison and Kelly Sundstrom, and the smallest by Larry Siefel. Enough brown and brook trout were caught to enable the party to wind up with a fish fry on Sunday afternoon before leaving for home.

Parents and friends from Walnut Lake were in the audience on May 24, at the 17th annual spring concert given by the Birmingham High school. Singing with the ninth grade girls' glee club were Dawn Karmes, Martha Koskinen, Rachel Rice, Mary Roberts and Barbara Shank.

Sally Hanson was among members of the senior high mixed chorus, Dave Goodwin was in the choir and Harvey Seiler, in the ninth grade mixed chorus.

GIRL SCOUTS

Troop 413, Walnut Lake school Girl Scouts, all fifth and sixth graders, held a cookout May 23, at the lakeside park. Working for their second class badge, the girls' shores were scheduled on a caper chart which listed the cooks, hostesses and fire builders.

The menu featured escalloped potatoes and pork chops baked in envy coffee cans, "walking" salads of alternating chunks of fruit on toothpicks, and Ballard biscuits baked on green twigs.

For dessert, the girls had cakes baked at home by members working on their cooking badge credits. Committee member Mrs. Donald Waller attended, with co-leaders

Girls of Delta Gamma Chi sorority of Wayne university and their pledges spent the day at the Parker Rockwell home on Putnam road, fronting on Walnut Lake, last Sunday. They went swimming, sunning and had a picnic dinner, and held a shower on a recently wed sister.

The Rockwells' daughter, Barbara Stradinger, has just finished her term as president of the group, and is now busy with graduation activities.

Another Birminghamite, Barbara Bunnell, of West Dartmoor road, is the newly elected recording secretary of the sorority, and will be chairman of the school's Homecoming dance next fall.

Some of the girls came to the picnic without much sleep, after attending the Pi Alpha fraternity Dream Girl formal the previous evening with its attendant parties, including an early morning breakfast.

Mr. and Mrs. Donald E. Butson, of East Dartmoor road, made their annual first visit to open the family cottage at Pine Lake, near Ozeo, on the Decoration Day week-end.

Chairman of the successful bake sale held by the Walnut Lake Women's club on May 21, was Mrs. Kyle Winemiller, of Putnam drive. Assisted by committee members

From Cincinnati, Ohio, the Lyle Paris family have moved into their new home on East Dartmoor road, and are working hard getting settled.

They have two youngsters, Guy, 4, and Garth, seven months old. Both parents are originally from the west, Mrs. Paris, who was a Tri-Delt at the University of Nevada, being from Reno, and Paris' family now living in Oakland, Cal. Paris is connected here with the Peerless Cement company.

During the discussion, chairmen took time out to comment that the recent square dance held at the school centered some more reluctant husbands of the community to the left, and the group feels there will be good support for a dance series in the fall.
