Elect Three New Officers

WING LAKE—Three new members of the board of the Wing Lake Shore Association were approved by the membership at the annual meeting of the group on July 14.

After the meeting, the board elected its officers. The three new members are Glen James, vice president; Luther Lawrence, secretary and William Fraser, treasurer. Richard Giskick is president of the group.

Discussion at the meeting was devoted mainly to the new beach area, for which a fulltime instructor and life guard will soon be hired. Wrist tags will be issued to identify members and their families entitled to beach privileges.

It was ruled that residents must keep their dogs away from the swimming area, and it was explained that the park section of the beach will be top-soiled and seeded as soon as the ground dries out sufficiently.

Use of the beach is restricted to the families of property owners in Wing Lake Shores and their guests.
