Climaxing the church school year at Franklin Community church will be the annual outdoor Children's Day program, on the Village Green, Mrs. Donald Tracy, director of teacher training, announced. Starting at 9:30 a.m. June 12, and including each pupil in the church school, the gala event will replace not only the class sessions, but both hours of morning worship as well. Ample seating will be available. "The Difference It Makes When a Child Attends Sunday School" is the program theme, and will reveal what has been accomplished in classes of the past year.

MRS. GREN ANDREWS Resident, Moving East, Is Honored

The annual June picnic of St. James Episcopal church Women's auxiliary took the form of a farewell party for Mrs. Gren I. Andrews. A special of Birmingham for 27 years, Mrs. Andrews and her husband are moving from their home in Huntshire to take up residence in Randalltown, Md. She has served several terms as president of the group. On a diocesan level she has been vice president and president of the woman's organization, editor of the diocesan paper's women's page, on Bishop Kenrick's committee on the growth of the church and a delegate to the woman's auxiliary's national meeting at San Francisco. Because of her valuable contributions to the parish and diocese, Mrs. Andrews has received a silver cross from the bishop.

Cranbrook Tour Ends For Marquis Fellow

The Rev. Eugene A. Monik, Jr., Marquis Fellow at Christ Church Cranbrook for the past year is leaving the parish June 12. He will return to his home diocese in Minnesota where he expects to be ordained to the priesthood and later become vicar of St. Basil's church in Bemidji, Minn. "Bemidji, far up in the frozen northlands," he said, "happens to be in the heart of the Paul Bunyan vacation land on a through route by auto. If you happen to be in the vicinity, I assure you of a welcome as big as Paul, himself."

Evening Groups Meet

Two evening Circles of the Women's Fellowship of St. James Episcopal church will be meeting this next week. Members of Circle 4 will gather for a 7 p.m. picnic at Springdale Park on June 15. That same evening members of Circle 7 will meet at the home of Mrs. C. Philip Bartlett, 15211 Lauderdale, at 8 p.m.

Church League Sets 'Heptomadery' Date

According to Harter Williams, president of the Unitarian church League, the Albert MacCleery chapter will note the close of its season with a heptomadery at the home of Morton Gladstone, Vaughan road. The event is scheduled for 7 p.m., June 21. "To learn the meaning of the word 'heptomadery,'" Williams said, "you'll have to refer to the works of Robert Louis Stevenson." Williams will accompany a harp-berthop quarter and the group singing on the piano-accordion. Sports and other entertainment is planned. Other officers assisting are Jack Gieck, David Presley and Robert Harvey. Reservations may be made with the committee.

Choirs Feted At St. James

The 60 boys and girls in the children's choir at St. James Episcopal church, with their parents, were guests at a banquet June 11. During the past season the two choirs have sung on such major church events as Christmas Eve, Christmas, Ash Wednesday and the Easter Sunrise service. In addition, they have sung at the 9:30 a.m. services each Sunday. Special events have been the concert of carols at Christmas and the singing of the choir in presentation of two performances of the Pergolesi "Stabat Mater" in Latin. A long-playing record has just been made, to be available to the public next year.

for this wide-open beauty

It's the new kind of hardtop—The 4-Door Riviera!

A HARDTOP is a car that looks like a Convertible with the top up—but has a solid steel roof overhead—and no center posts in the side window areas.

Up until just recently, it could be built in volume only with two doors—not more—because it would take wholly new structural principles to hinge another set of doors without floor-to-roof center posts.

But Buick came up with those new structural principles and is now building—in volume—hardtops with four doors.

You see one pictured here. It's the 4-Door Riviera. And it's taking the country by storm . . .

Because here, at long last, is an automobile

with the sleek and sporty styling of a true hardtop—but with separate doors for rear-seat passengers, plus the added room of a full-size Buick Sedan.

On top of that, this beauty is all Buick—with the buoyant ride of Buick's all-coil springing—the wallowing might of Buick's record-high V8 power—the whip-quick getaway and sizable gas savings of Buick's spectacular Variable Pitch Dynaflow.

And it's available in Buick's two lowest-priced Series—the budget-tagged 188-hp SPECIAL, and the high-performance 236-hp CENTURY, illustrated here.

Come visit us for a first-hand meeting with the 4-Door Riviera—and see how quickly and how easily the last word in automobiles can be yours.
