

Troy Students Study Holland

Kindergarten: Janet Visser and Steve Ebbars now have chicken pox. Debbie Garvork sang on Auntie Dens' program on March 1. The children colored and cut out windmills this week.

First grade: The first grade studied about George Washington and the United States Flag this week. We are also studying about seeds and have a display of them on the bulletin board.

SECOND GRADE: The second grade is beginning the study of Holland in our March art work. Our monthly activity books are also helping us to understand how boys and girls live in Holland. We learned that March has thirty-one days, while February has only twenty-eight.

Third Grade: We are beginning our study of spring birds. We are each going to make a bird book. We are also making March posters and calendars.

Fourth grade: The fourth grade has been making a weather chart. We are making flags of different symbols to represent different kinds of weather. We also plan to make wind mills in art class.

FIFTH GRADE: Base ball season is starting at Troy Union school. Some of the players are Paul Hogan, Paul Hacker, Edward Burpee and Frank Zilensky. It looks like spring is coming to our rooms; we now have marigolds and hyacinths in bloom. We also have some pussy willows. We have been reading some interesting books about dinosaurs. Edward Burpee brought us two Miss Pickers books. The girls are completing a weather chart for our room. The treasurer reports three dollars and thirty-five cents in the treasury. Dan Hogan passed his

tenderfoot test in scouting. The Boy Scouts are having a paper drive Saturday morning. They will have a pancake supper Tuesday March 8th at Troy Union school.

Sixth grade: Sally Earl, Randy Fuchs and Richard Turcott are welcomed back to school after being absent. The Sixth Grade boys and girls are starting their spring training in baseball. They are looking forward to playing some of the other schools in Troy township.

A special committee has been working on the PTA project to purchase something for the school, with approximately \$300.00 proposed for this use.

Adams Students Visit Dog Show

Mrs. Haven's 3rd grade class of Adams school went to the Dog show at the Fair Grounds on Saturday.

They saw 1542 dogs of eighty or more breeds. They had lunch, watched the judging, and had free time to visit exhibits, and collected free samples. They have been studying dogs and making scrap books with pictures and stories.

The children enjoyed seeing their favorites, and learning about different dogs. They saw many Birmingham friends there.
