

Wing Lake - Foxcroft
 VIRGINIA COLE MA-6-5585

**French Students Entertain
 In Authentic Gallie Style**

The home of Susan Cole, Worlington road, was transformed into the "Cafe de Paris" last Thursday evening when the third year French class of Bloomfield High school gave a French dinner there for the second year class and for candidates for the 1956 European Study Tour.

Guests were the former French consul to Detroit, Mr. Donat Gauthier, now vice consul of Canada; Mr. John Bailey, Miss Florence Landry of Pontiac; Miss Betty Bove, teacher at Bloomfield and Mr. and Mrs. Arthur Perrault of Lake Orion.
 Mr. La Rue, Bloomfield's French teacher, connected his special dish, French onion soup with croûtons. This, followed by a turkey dinner served 52 guests.
 The 13 tables, covered with checkered table cloths were centered by candles in old bottles. At each place was a menu, decorated with a gold fleur-de-lis and printed in French, hand made by the third year French students. French background music completed the cafe effect and each guest received a French coin as a favor.
 Everyone spoke French throughout the evening and the students surprised themselves and Mr. LaRue with their conversational fluency.

FOX CROFT WNFG
 Husbands' night at the Foxcroft WNFG club held in the auditorium of Wing Lake school called for a special kind of meeting last Monday evening.
 Mrs. Richard Carter, president, opened the meeting by introducing Mrs. John Black, program chairman. Mrs. Black then introduced Mr. Jonathan Ball of McClellan Hall in Birmingham. Ball, assisted by Bernard Foster, gave the husbands and wives information on preparing soil for new lawns, and the kind of seed suited to Michigan's climate. His talk also covered fertilizing, top dressings and the control of crab-grass and other weeds.
 A social hour during which refreshments were served climaxed the evening.

WING LAKE WNFG
 The Wing Lake WNFG club held its regular monthly meeting Monday afternoon at the home of the treasurer, Mrs. Fred Gaudt, Worlington road.
 In the absence of Mrs. Ralph Darling, president, Mrs. Ed Carroll, program chairman, presided. Following the business meeting, Mrs. Carroll introduced the guest speaker, Mrs. Gordon Page of Grosse Ile who spoke on "Points on Flower Judging," touching on indoor and outdoor display judging.
 The tea table was centered with a floral piece donated by Mrs. Maskell, a member of the club. Mrs. Douglas Buss and Mrs. Cecile Cook, co-hostesses, poured.
 Wing Lake WNFG club members are urged to attend the flower arrangement classes on Mar. 15 and 22 to be held at the Bloomfield township hall from 10:00 a.m. till 4:00 p.m. There will be an excellent instructor and members may bring guests.

New neighbors in Wing Lake Farms are Mr. and Mrs. Michael Markarian who moved into their new home on Franklin road March 1. They formerly lived in Huntington Woods.
 Markarian is assistant superintendent of the pattern department at Ford motor company and Mrs. Markarian has a secretarial position in the General Motors building.

BIRTHDAY PARTY
 Joanie Fuller, daughter of Mr. and Mrs. Ed Fuller, Worlington road, celebrated her fourth birthday March 14. Linda and Julie Cusson and Paula Cole were her birthday party guests.

Girl Scout troop 415 of Wing Lake school and their leaders, Mrs. Allen Gedelman and Edgar Delhardt, earned laurels at the recent Juliette low program held at Baldwin school in Birmingham. Each of the 16 troops present brought their contributions to the Juliette Low annual fund drive in decorated containers fashioned by themselves, and the one presented by troop 415 was selected to be shown at the Juliette Low commemoration.

Choosing the apple orchards of Bloomfield township as their theme, the Scouts used a large box, covering it with shredded green paper for grass, made a road down the center and each side of the road placed small twigs resembling apple trees. On the twigs they fastened pink and white paper apple blossoms, and along the sides they printed the legend, "Bloomfield Township Apple Orchard, troop 415."

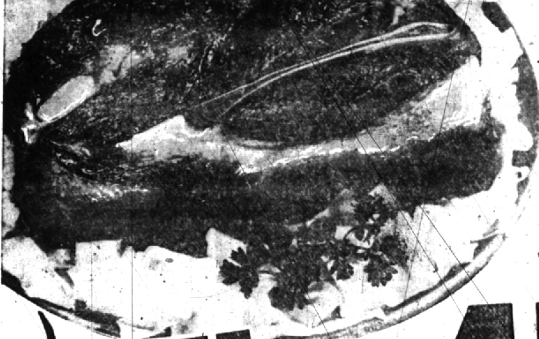

Mr. and Mrs. Raymond Shaw of Sherringham entertained Mr. and Mrs. Arthur Morrow of Bloomfield Village and Mr. and Mrs. Carl Grantham of Toledo last Saturday. Following cocktails at the Shaws' home the party dined at Joe Muir's in Detroit and then went to see Cinerama Holiday.

CALIFORNIA TRIP
 Mr. and Mrs. Ralph Darling of Sunningdale road returned Saturday from a six-week trip to California. For Mr. Darling it was a business trip but he and Mrs. Darling managed to include some sightseeing and fun. One of the highlights on the business side was furnished by the cocktail party at the General Motors motorama.
 Mrs. Darling, who is president of the Wing Lake WNFG took the opportunity to look up Mrs. Helen Moody, state director of WNFGA of California and found the ensuing association a pleasant and instructive one. Mrs. Moody escorted Mrs. Darling on several tours of interesting California gardens.
 During a weekend at Palm Springs, the Darlings said they enjoyed driving among the winter estates of notable motion picture stars. Of great interest to them was a glass church at Palm Verdes called the Wayfarer's chapel, built as a memorial to its Norwegian founder, where as many as 5,000 visitors arrive off and on Sundays for brief silent worship. The entire church, roof and all, is built of clear glass and is an interesting spectacle, according to the Darlings.

Journeing up Mt. Wilson one day, the vacationers found the temperature a cool 35 degrees as contrasted with the 85 of that day in Los Angeles. Their visit to Tijuana, Mexico was lots of fun but, says Mr. Darling, no heck.
 In Pasadena the Darlings visited Mr. and Mrs. E. F. Tenke. Mrs. Tenke is the daughter of Mr. and Mrs. Herbert Fisk of Sherringham road, neighbors of the Darlings. The Tenkes plan to visit the Fisks here this summer.

Cadet Promoted To Tech Sergeant
 Ralph Crawford was recently promoted to the grade of cadet technical sergeant in the Air Force ROTC at Michigan College of Mining and Technology at Houghton. Crawford is a sophomore in his majoring in metallurgical engineering at Tech. A graduate of Birmingham high school, he is the son of Mr. and Mrs. William Crawford, 1825 East Maple road.
