

Two Firms Ready For 'JA Sales'

Two Birmingham Junior Achievement firms will man the booths during the "Sales Days" as independent concessionaires, and handle all aspects of dealing with the public. Unisko makes a lintless dust cloth, and JA Magi-Craft produces cutlifers.

They have been in business since last October, and conduct their affairs at the Birmingham JA business center at 177 S. Woodward, Birmingham theater building. They are among eight firms that local teenagers operate in the JA program.

Game Of Broadway Hits Planned for Area

A bit of Broadway is coming to the metropolitan area this summer. Something new in summer theaters is "Melody Circus Theater," a huge amphitheater under the largest tent of its kind to be erected on the wooded grounds of historic Botsford Inn, Farmington.

Long-run hit shows with all-star New York casts are scheduled to open June 17 for nightly performances and Sunday matinees through Sept. 26.

"Guys and Dolls," music and lyrics by Frank Loesser, book by J. Swilling and Abe Burroughs, will open the series of 10 shows. Spectators will be seated around the oval stage and enjoy the full advantage of "theater-in-the-round" visibility, no seat is farther than 44 feet from the stage, especially

portable margin in the overtime and took the decision 69-55.

Showing the way for the winners with 16 points was Captain Ed Bruce, while Walt King's ten point offensive effort led Pontiac.

In Friday's game between Berkeley and Mt. Clemens for the regional championship, the Bears started as though they might pull a major upset, leading the Bears 14-0 at the first half.

But Berkeley couldn't keep up the pace, and Mt. Clemens built up a convincing 63-58 margin of victory.

Dennis Schultz broke his school's 26 point individual scoring record when he scored 14 field goals and a pair of freethrows for 30 points. Louie Lemak kept Berkeley close with 24 markers.

UMIAN netted 20 points to top high scoring honors while Bob Goldsmith showed the way for the Maples with 17.

Pontiac turned back a powerful DeLaSalle quintet 51-63 in the final game of the first round.

The Pilots held a slim opening period advantage before Pontiac pulled away to take the decision.

All-Catholic league center Bernie Shimkus led both teams, with 21 points and Rod Francis and Bob Johnson paced the Chiefs with 14 apiece.

Friday night's action opened the second round with both games going into overtime. Berkeley took the measure of Southfield in the Lakes conference rival, 50-47 and Pontiac dropped a thrilling 69-55 contest to Mt. Clemens.

Berkeley took the lead and stayed out front until late in the fourth quarter when it had to come from behind to tie the count at 47 on Dick Settel's layup. Sentell hit again early in the extra period and the Bears hung on to win.

Louie Lemak again led all point guards with 15. Ken Moser, Bob Evans and Steve Klamik divided 30 points between them, equally to pace the Jays' offense.

Pontiac also put on a last period surge to necessitate an extra period with Bob Johnson's free throw and Dick Blacklaw's tip-in deadlocking the score in the last four seconds.

The Bathers built up a comfortable margin in the overtime and took the decision 69-55.

Election, Civic Center Report Precede Program

Friends of the Baldwin Library held their annual business meeting Monday evening, prior to the program presented by members of the Kingswood and Cranbrook Clubs under the direction of Robert Bates.

The election saw Mrs. Charles Brantley, Mrs. Donald Scrien, Berrien Ketchum and Robert H. Kohn elected for three-year terms on the board.

With current members Mrs. Vaughan Greene, Mrs. James Mitchell, Mrs. Brooks Marshall, James P. Little, Charles Kass, Richard W. Brown, Fred Robinson and W. W. Williams, met Wednesday to elect officers.

V. B. WATKINS, retiring board member and city commissioner explained the proposed civic center plan, which will come to a vote on April 4. If accepted, the present Shain park will be used as a civic center parking area, with a new park built one block to the south.

Watkins explained the new area would be a "dedicated" park while the present site merely is "designated."

"The commission assures all that the new Shain park would be completed, even to the traditional Christmas tree. Furthermore, we feel it would be an ideal buffer between the residential and commercial areas and discourage any further business expansion to the south," he said.

Directors, Officers Elected by Rotary

New directors elected Monday by the Birmingham Rotary club are Jonathan M. Hall, John Wakemayn, James Moore, Leon De St. Nicholas, Victor Peck and Stuart Schell.

At the organizational board meeting Tuesday afternoon, Victor Peck was named president, to take effect on July 11. Paul Grant was named secretary, and James Moore, treasurer. Arthur Blakeley, retiring president, becomes vice president.
