

Village Students Spring Lessons

B.L.M. VILLAGE—Kindergarten. We made kites. We are learning songs about Spring. They are Little Robin jump-up, and others. We saw a film on "Safety on the Playground", and talked about it. We drew pictures about the new set of aluminum dishes arrived and we now have ten parties. We drew pictures about Jerry the dog and listened to the record.

First Grade—On Wednesday we are making a portfolio. We made farms. We had animals on our farm. The Buttercups are reading about The Funny House.

The Valentines have a new story, Sally Talks. We made bluebirds out of blue paper and scrap paper. We have fun making things. We have plants. One of our flowers has grown. On Tuesday we made plants out of yellow, pink, and green paper.

WE USED our crayons for the seeds. Philip made a boy saying, "Here is my egg." Philip is getting ready for Easter. We all are getting ready for Easter. We have fun doing our work. We made doghouses, postboxes, playboxes, and dollhouses.

We have rules for outside: Do not stand on the merry-go-round. We are supposed to sit on the swings. We are good friends on the playground. Mrs. Samsky, Second Grade. The Second graders are going to give a puppet play for the school. Every Wednesday we pick a news reporter. Friday Bin Tin Tin is on television. Reported by John Rogers.

SIXTH GRADE—The sixth grade is studying about "North Central China" and "South Central China", and learning much about other countries. We are also studying about other countries. We are also studying about kites and buying one. We will fly them in nice weather and compare them. We are also giving a play and two songs at the assembly in two weeks. Reported by Judy Larkins, class secretary.

Troy Pupils See Cranbrook

By Janet Postma and Karen Franke

Kindergarten: Floyd Case and Greg Hutchins are back in school. Both had the chicken pox.

Second grade: We are learning the months of the year and how many days each has. Third grade: We are making kites and windmills and studying about Holland.

Fourth grade: The fourth grade started a new unit in science about plants and animals. We are making drawings of the food group and plan to make a booklet. Several children have been ill.

Fifth grade: The fourth and fifth grades are planning a trip to Cranbrook Institute of Science. We expect to see some beautiful rocks and useful minerals that are all around us.

We will also see how the Indians used to live.

Pembroke Students Guests of BHS

Enjoying a tour of BHS recently were 26 sixth grade pupils from Virginia Jones' class at Pembroke school.

The children were brought over by bus to do a broadcast from the little theatre. Their interpretation of Wagner's opera "Lohengrin" was enthusiastically received.

After the broadcast the children were taken on a tour of the school. Planning the tour and leading were Gail Smith, Gwen Smith, Yvonne Mealey, Dick McHugh, John Groves, Mike Doyle, Dick Schmiel, and Bill Yogus.

The holiday was brought to a close with lunch in the cafeteria, after which the children boarded their bus for the trip back to Pembroke.

School Photo Club Votes on Officers

Officers for the Adams Photo club are co-chairmen, Grace Saffie and Bob Sines; and secretary, Bob French. Their first assignment is to take pictures from different levels and angles of specified things. The club will study the camera and learn to develop their own pictures.

NOTICE OF SUBMISSION OF CHARTER AMENDMENT PROPOSITION
City of Birmingham, Michigan
TO THE QUALIFIED ELECTORS OF THE CITY OF BIRMINGHAM, COUNTY OF OAKLAND, AND STATE OF MICHIGAN

NOTICE IS HEREBY GIVEN, that at the regular city election to be held in the City of Birmingham, County of Oakland, and State of Michigan, on the 4th day of April, A.D. 1955, from 7:00 o'clock in the forenoon until 8:00 o'clock in the afternoon, Eastern Standard Time, there will be submitted the question of the amendment of Section 1 of Chapter XII of the charter of said city so that said section will read as follows:

CHAPTER XII SEWERS AND DRAINS

Section 1. The Commission may establish, construct and maintain a sewerage system, sewage disposal system, sewers and drains whenever and wherever necessary. Such systems, sewers and drains may be constructed either within or without the city or partly within and partly without the city. The commission may contract with any other governmental unit or units for sewerage and drainage facilities, provided that any such contract other than one for the disposal of sewage through the Southeastern Oakland County Sewage Disposal System, or any other system which may be established by the County of Oakland such as the proposed Evergreen Interceptor System, shall be approved by two-thirds of the electors voting thereon at a general or special election.

NOTICE IS FURTHER GIVEN, that said Section 1 now reads as follows:

CHAPTER XII SEWERS AND DRAINS

Section 1. The commission may establish, construct and maintain a sewerage system, sewage disposal systems, sewers and drains whenever and wherever necessary. Such systems, sewers and drains may be constructed either within or without the city or partly within and partly without the city. The commission may contract with any other governmental unit or units for sewerage and drainage facilities, provided that any such contract other than one for the disposal of sewage through the Southeastern Oakland County Sewage Disposal System shall be approved by two-thirds of the electors voting thereon at a general or special election.

Irene E. Hanley,
City Clerk
