Students Tell Of Skidmore Campus Life

So that students thinking of enrolling at Skidmore college at Saratoga, N. Y., may learn more of their future alma mater, local alumnae banded together yesterday for a gab fest.

Invited to the event were students now attending the Eastern school, so that first-hand details of campus life could be given the 13 girls who have indicated Skidmore intentions.

The committee for the party at Mrs. George W. McCormick's home on Quarton road were Mrs. Robert Green, Mrs. Francis McMath and Mrs. Leroy N. Jerman, Jr., of Dearborn.

LOCAL ALUMNAE MADE UP the group, and will in the near future form an alumnae organization. Date is April 19 for the visit of the college's alum group's executive secretary, Esther Case Williams. She will meet with local alumnae at the Community house, en route to her home in New York from organization of another group in California.

Skidmore, where women may obtain a degree as well as learn a skill such as business administration, has numerous students from the Birmingham area enrolled, but only three were at the meeting. Others are spending vacations with their parents in Florida.

MARY GRINDLEY, of Bloomfield Hills, who has just graduated there in nursing, Josephine Rothman of Linden, and Sylvia Chaik of Manor road, spoke to the 13 girls. Three of the group were from other than the Birmingham area.

Mothers of the girls gathered in another room and talked with the alumnae while the campus discussion was progressing.
