

GIVE Yourself, Your Family, Your Future THESE ADVANTAGES! On April 4th—

VOTE "YES" on CITY PROPOSAL No. 1 (Bond Issue)

Give the children and adults of Birmingham new recreational facilities! By voting "YES" you receive an artificial skating rink, new basketball court, new tennis courts and a "general use" area for dances, shows, exhibits and other community functions — all to be located at Eton Park. The city is asking to borrow \$125,000 and issue general obligation bonds to be paid off in 15 years. It will cost ONLY \$1.65 per family per year to pay for this sorely needed recreational park. VOTE "YES" for a better Birmingham!

VOTE "YES" on CITY PROPOSAL No. 2 (Charter Amendment)

Amend the City Charter so that the city may contract for the disposal of sewage through a system which may be established by Oakland County. The state is requiring proper sewage disposal and such a joint action in forming the Evergreen Interceptor System to serve the west side of town will save us thousands of dollars. Two years ago we amended the charter to allow the city to enter into a contract with the Southeastern Oakland Sewage Disposal System in discharging the city's East side sewage. Vote "YES" to amend the city charter again so the commission can continue in its efforts of ever improving the facilities for our city!

VOTE "YES" on CITY PROPOSAL No. 3 (Advisory Purposes)

Back your city in its plan to stop the further encroachment of business on the residential areas. Vote "YES" in having "Shain Park" re-located in the block immediately south . . . thus providing the city with a sorely needed, centrally located parking lot and a beautiful officially dedicated Shain Park. The existing park has never been dedicated as such. The area between the Municipal Building and Baldwin Library will then be used for a municipal parking lot . . . accessible to the civic buildings and shops of Birmingham. Vote "YES" for civic center improvements!

VOTE "YES" for ALL these Community Improvements!
