MARCH MESSAGE

some beautiful packaged NORTHERN GROWN roses. (No more Texas roses after what we learned about them in Chicago in January.) These will be mostly HYBRID TEA ROSES.

For gosh sakes, get OUT your catalogue and get IN your orders for FLORIBUNDAS, CLIMBERS, etc., before it is too late. We are not the only dealer who buys from VALGHAN'S.

CUTTING: Although the ground is (may be) covered—but good—with snow, NOW is the time to get your LAWN MOWER conditioned. We have no axe to grind because we don't grind lawnmowers. However, if you forget and the grass gets 6 inches tall come in and we will tell you what to do.

FUNGL: Mushrooms, toadstools, MOLDS, SMUTS and MILDEWS! The last three spoil one-sixth of our fruit, vegetables and grains each year. BUT, maybe you can help reduce this loss by using N-TRICHLORO-METHYLTHIOTETRAHYDROPHTHALIMIDE.

If you wish to try and help please use the nickname 'APTAN' when you come in for it. It will probably be one of the ingredients of an all-purpose dust.

INDOOR SHELF: For those who grow things inside we have a special assortment:
