• KEEP SHAIN PARK WHERE LOCATED
New commercial shopping centers and older city shopping centers in Detroit and Buffalo either feature or plan new park areas. One block variation in parking lot location will not have an adverse effect on shopping as compared to Northland. Long-term planning to ring the business area with a partial green belt and parking lot system would protect home values and help business.
• PAY-AS-YOU-GO CITY SWIMMING POOL
A self-amortizing program to provide semi-supervised summer youth activities and family activities.
