

STEEL IN THE making was witnessed by members of Scout Troop B-5 when they visited the plant of Great Lakes Steel, a division of the National Steel corporation at Ecorse a short time ago. Here they watch one of the many checks on quality of steel being produced for automobile manufacturers. The molten steel from an open hearth furnace is being poured into a sample ingot for laboratory test. Watching are, left to right, Dick Remp, R. E. Paulette, Don Van Doren, Tony Leon, Don Fry, Bill Muenchinger, Bob Paulette, Bill Brown, Steve Taylor and John Ake.

100 Scouts, Adults Camping at Chelsea

Nearly 100 Tween-hi Girl Scouts and their leaders will leave tomorrow afternoon for a three-day camp-out in the Waterloo Recreation area near Chelsea.

While these girls try their winter-learned outdoor skills, two groups of girls are remaining at home, having withdrawn voluntarily so that those who had not been camping previously could go to Waterloo.

Because there were 100 girls eligible to go on the trip slated each late winter or early spring for all Birmingham Teen-highs, something had to give, recalls Mrs. A. Leslie Schaefer of Troop 853.

Her troop talked it over, decided they would not meet their Waterloo, but concentrate on plans for their April 11 and 12 trip to Lansing.

The second troop was the Walnut Lake unit, troop 360, which has been camping often. They went two weeks ago and plan trips in May and June for the Oakland county Scout camp.

That troop's leader, Mrs. James Roberts, is heading up arrangements for the Waterloo trip, since Mrs. Harold Longyear, adult leader of the tween-hi planning board, is out of town.

A CARAVAN OF CARS will be leaving around 3 p.m. from various gathering points in and about Birmingham and Franklin, for this trip to the Cedar Lake group camp in the recreation area. It is the second time Scouts from here have had the campout there.

Another Scout troop, 549 of Holy Name school, is winding up a series of nine weeks of lessons at the Associated School of Art in Detroit. Starting Feb. 28, they have studied in three sessions each, ceramics, dramatics and dancing.

Three Students Win Honors at Colleges

Phi Beta Kappa and Pi-Delta Epsilon memberships and a new ROTC rank were among honors meted out to Birmingham students this month.

college seniors at Waterville Me., to be elected to Phi Beta Kappa, national honor society.

Mary Osgood Cutter, daughter of Mr. and Mrs. G. O. Cutter, 618 Overhill road, was one of 10 Colby

major academic work in French, after preparing for Colby at Birmingham high school. She is a member of Sigma Kappa sorority, Phi Sigma Iota modern language fraternity, and has served as its secretary, treasurer and vice president of the French club, and won the French Consulate prize during her sophomore year.

Phi Beta Kappa is the highest academic honor a student can receive at college.

SARAH McQUIGG, a senior at Denison university, Granville, O., was recently tapped for Pi Delta Epsilon, national journalistic honorary, and will be initiated late in April.

She is the daughter of Mr. and Mrs. John McQuigg, 1395 Willow lane.

ROBERT C. JACKSON, cadet in the ROTC detachment at Western Michigan college at Kalamazoo has been made a sergeant according to Lt. Col. Comet Gibson, commanding officer.

He is the son of the L. J. Jacksons, 643 E. Lincoln.

If you want the real facts on new-car values see your **PONTIAC dealer!**

When you compare automobile values, one plain and easily proved truth becomes evident—Pontiac gives you more for your money than any other car in America!

Keeping in mind that Pontiac is priced within the reach of any new-car buyer, consider a few facts:

Pontiac is a big car! Pontiac's 122" or 124" wheelbase is 6½ to 8½ inches longer than any of the "low-priced threes". It's the biggest car at its price.

Pontiac is more powerful! Model for model, its big Strato-Streak V-8 delivers more power per dollar than any car in its field!

Pontiac is the most distinctively beautiful car at any price! No other car can match the individuality of Pontiac Twin-Streak styling and Vogue Two-Tone colors.

Right there are three big reasons why Pontiac sales are at an all-time high. We suggest you come in and get all the facts—and get behind the wheel for final proof.

1. You can buy a big, 200-H.P. Pontiac for less than many models of the lowest-priced cars and much less than stripped economy models of higher-priced makes!

2. Only Pontiac gives you luxury-car size plus the sensational Strato-Streak V-8!
