

MR. AND MRS. HAROLD M. STEPHEN of Hillside drive are vacationing in Hawaii following a cruise on the Matson liner, Lurline, which they termed "fabulous from beginning to end." They were enthusiastic about the shipboard entertainment and the passenger participation activities such as hula dancing and ukulele lessons. They will divide their 12 days in Hawaii between Waikei beach and the neighbor islands.

MARCH CAN MAKE MONKIES OUT OF US

But don't be fooled! While blizzards rage and frosty windshields greet us in the morning the marvelous and mysterious operations of NATURE are at work.

We are up here tonight to protect you against both delays and haste.

1. Despite the evidence to the contrary THIS IS THE TIME to fertilize and seed your lawns.
2. This is NOT the time to roll your lawn. You will merely compact the surface and deny air to the grass roots. HOWEVER if you do roll the lawn while it is wet call us and we will deliver, for \$18.50, a spiked disc so you can open up the soil again. Find out WHAT rolling is for.
3. That MAD MARCH HARE is still on the prowl. Deterrents (not guaranteed) are SCRAM, NO NIBBL, BLOOD MEAL and WIRE NETTING.
4. 56 ROSE BUSHES are now on hand—mostly EVERBLOOMING HYBRID TEAS—for your garden. All are NORTHERN GROWN. For other varieties we have catalogs. ORDER AS SOON AS POSSIBLE!!
5. Sharpen the lawn mower.
6. Distribute STADLER'S GARD-N-GRO on flower beds. 4 lbs. to 100 sq. ft.
7. Spread DRICONURE on Euonymus, Ivy, Myrtle, etc. and water in.
8. Easter is coming as you may have heard and those who give gifts can solve their problems here. The solution (we hope) is a product RICH in the HERITAGE of SKILL and INGENUITY—made by FREE HAND or OFF HAND—using only APPLEWOOD MOLDS (hand carved)—the ONE and ONLY—BLENKO GLASS (made entirely of glass).
9. Stadler's XXX ROSE FOOD is wonderful for geraniums and petunias. DO NOT USE IT ON bulbs or snap dragons.
10. Fungus swelling on plum and cherry trees should be identified. If it is BLACK KNOT, a pruning and spraying program should be started immediately.
11. Stop beeing. You are too fat anyway.
12. Start working. It will be the best thing in the world for you. Industry will not collapse if you take a day off now and then. After all, we quit Chrysler and Ford and they are still perking along.

Gude night!
