

BHS Seniors Awaiting Washington Trip April 8

By MARILEE PODLESAR

Leaving in about a week for the long awaited Washington trip, 215 seniors eagerly look forward to the fun-filled week. Leading the group are E. A. Hubbard, director; Bill Dove, president; and Darlene Pollock, secretary.

Leaving Detroit at 8:15 the morning of April 8, the group has a special train consisting of five coaches, two diners, and one observation car. The diners can be used all day for cards.

The group will begin touring in Washington, visiting Washington monument, the Capitol, the Supreme court, and the Lincoln memorial.

OTHER places to be visited before the group returns to Washington after the Williamsburg trip are Mt. Vernon, Norfolk, Old Point Comfort and Jamestown. After a short return visit to Washington, the seniors will leave for New York.

In New York 95 students will see "Kismet," 60 "Tenhouse of the August Moon," and the others "Can Can."

The next day in New York includes a tour of the city, United Nations building and free time.

AFTER New York the group returns to Detroit with a short stop at Niagara Falls.

An innovation in this year's trip is the church service Easter Sunday. Instead of the Sunrise Service planned and presented by the members, the entire group will attend services in the National cathedral.

Students have always enjoyed Washington trip because they get to know their fellow students better, they are receiving an educa-

tion and they have a wonderful time.

Another reason everyone has a good time is because of the excellent advisors. This year, with Mr. Hubbard as ten advisors, including Mrs. Mildred Swart, Don Groethe, Miss Thom, Miss Charlotte Will, Mr. and Mrs. Robert Richards, Mrs. Mary Harwick, Ross A. Wagner and George Miller.
