BLOOMFIELD TOWNSHIP SANITARY
SEWAGE FACILITIES
ORDINANCE NO. 30
THE TOWNSHIP OF BLOOMFIELD ORDAINS:

Section 1. The Township of Bloomfield hereby establishes a sewage disposal in the Township of Bloomfield which shall include those districts of the township heretofore laid out and known as Bloomfield Drain No. 1, the Bloomfield Village Drain and the Bloomfield Village Storm Sewer Drain No. 2, for the purpose of establishing and maintaining a Sewage Disposal district for the benefit of the inhabitants of that portion of the Township.

Section 2. No person or property owner shall have the right to tap or make connections with any sewer or drain in the above districts without first making application therefor to the proper Township authority and payment to the Township Treasurer at the rate of $200.00 for each residence or building to be served by said connection.

Section 3. The owners of all buildings built and connected with any of the sewers or drains in said district prior to September 1, 1954, shall pay to the Township Treasurer the sum of $200.00 for each building or connection to said sewer or drains, which said sum may be paid in ten yearly installments of $20.00 each, plus interest at the rate of 4 per cent per annum on all sums unpaid, said payments to begin July 1, 1955.

Section 4. The sums so paid to the Township Treasurer shall be deposited by him in a separate fund and shall be used for the purposes outlined in the agreement between the Township and the City of Birmingham, dated September 28, 1954, providing for the township's share of the cost of the Evergreen Interceptor Sewer, so-called, or the enlargement of the Birmingham sewage treatment plant or the construction of a Bloomfield Township Sewage Treatment Plant, whichever is necessary in the judgment of the Township Board.

Section 5. The Township Treasurer shall send statements of installments and interest as set forth in Section 3 hereof and if payment is not made within six (6) months thereafter the same shall become a lien upon premises so charged and shall be collected in the same manner as other taxes are assessed, levied and collected and shall be returned in the same manner for non-payment.

Made and passed by the Bloomfield Township Board the 9th day of May, 1955.

This ordinance shall take effect after the third publication thereof according to the statute in such case made and provided.

ROBERT H. DUDLEY,
Township Clerk
(9-10-11)

BLOOMFIELD TOWNSHIP BUILDING
CODE ORDINANCE NO. 31
The Township of Bloomfield Ordains:

Section 1. This ordinance shall be known as the Township Building Code of Bloomfield Township, Oakland County, State of Michigan.

Section 2. Whereas the Official Building Code of the City of Detroit is nationally recognized as providing safe standards for building construction, it is therefore ordained that the same is incorporated herein by reference and the provisions of the said Official Building Code of the City of Detroit shall apply to all future buildings in the Township of Bloomfield excepting as to fees, enforcement and penalties therein provided for and such conflicting or amendatory provision as may now or hereafter be enacted by Bloomfield Township.

Section 3. Before proceeding with the erection, alteration or removal of any building, a permit shall first be obtained by the owner or his agent from the proper township officer. The application shall be made in writing and upon printed forms furnished by the township. The application shall be accompanied by two complete sets of plans and specifications complying with the requirements of the Detroit Building Code and shall also be accompanied by a site map showing the exact location of the structures existing or to be constructed. One set of the plans shall be filed with the township and the other stamped and kept on the construction site for reference until the completion of the building.

Section 4. For each building permit a fee of $15.00 shall be paid by the applicant to the Township Clerk which shall be used by the Township to defray the cost of inspection.

Section 5. As work progresses under a building permit the holder thereof shall cause the Township Building Inspector to be notified at the following stages of construction:

1. Upon completion of the basement or trench if no basement is to be constructed.
2. Upon completion of the rough frame of the structure, including the application of roof shingles and side wall sheathing and the installation of rough plumbing, rough electrical wiring and concealed heating ducts or pipes, chimneys and before lath is applied.
3. Upon total completion of the work authorized by the building permit and before occupancy.

Section 6. If notice of a completion stage is given before said stage is completed and ready for inspection, the holder of the permit shall pay an additional fee of $5.00 before any building shall be finally inspected.

Section 7. If the construction meets the requirements of the Code at the state of any inspection, the building inspector shall issue his written approval thereof and the permit holder shall be thereupon authorized to proceed in accordance with the building permit.

Section 8. Should the building inspector determine that the construction is not proceeding according to plans filed, or is in violation of the Code or regulation, he shall so notify the permit holder and further construction shall be stayed until correction has been effected and approved by the building inspector upon notice and request for re-inspection duly made. Should the permit holder fail to comply with the requirements at any stage of construction, the building inspector is hereby empowered to cancel the building permit issued and shall cause notice of the cancellation to be posted upon the construction, after which no further work shall be undertaken or permitted until a valid permit shall be thereafter issued.

Section 9. No building hereafter constructed or altered into a dwelling shall be occupied for human habitation until the issuance of a certificate by the building inspector affirming that such dwelling conform in all respects to the requirements of the Code.

Section 10. Any person who shall violate any provisions of the Code shall be deemed guilty of a misdemeanor and upon conviction thereof shall be punished by a fine not exceeding $100.00 and costs of prosecution or in default thereof by imprisonment in the County jail for not to exceed 90 days or by both such fine and imprisonment in the descretion of the court. Each day that a violation is permitted to exist shall constitute a separate offense.

Section 11. This ordinance shall take effect 30 days after the publication thereof according to the statute in such case made and provided.

Passed this 9th day of May, 1955 by the Bloomfield Township Board.
