**Newcomer Moores Move Here After Two Years in Brazil**

The North Adams area continues to attract new residents, one family moving here recently from Sao Paulo, Brazil.

The newcomers from South America are Mr. and Mrs. William Grant Moore of 5165 Longmeadow drive with their four children, Grant, 12, Anne, 10, Brian, 6, and John, 11.

The Moores lived in Brazil for two years before coming here, and John was born there. They have spent a great deal of time, too, in Buenos Aires, Argentina, Santiago, Chile and Peru.

When moving from Sao Paulo to Rio De Janeiro, they had the misfortune of losing all their furniture and books, when the moving van crashed over an embankment and landed on a railroad track in the torrential rains.

Mr. and Mrs. Harold A. Hall who have just moved to 4195 Meadowlane drive had a shorter distance to travel to their new home than the Moores.

Mr. and Mrs. Edward E. Hooper of 4136 Meadowlane drive, formerly of Birmingham, are also new neighbors, having recently moved into their new ranch home.

**Her Silver and Steel**  
Among the most precious household possessions bestowed upon a bride at Wedding time, are the flatware and holloware pieces that will adorn her table; perhaps throughout her married life.

More even, than her China and Crystal and Silver, her secondary silver—stainless steel—holds a kind of permanency that suggests special meaning for her and the man she marries.

May we show you the tops in stainless steel—Genesee Flatware and Holloware.
