they fell in love...

...with the sweetheart of the low-price 3

Biggest of the low-price 3! Plymouth is much bigger than the "other 2" low-price cars. You get more beauty outside, more roominess and comfort inside, more trunk space, plus the only truly big car ride in the lowest-price field.

Most economical of the low-price 3! Plymouth's fast-stepping new 6-cylinder Power-Flow 117 is a joy to drive, and own. Its exclusive Chrome-Sealed Action locks in power to give you peak performance for extra thousands of miles—at rock-bottom cost.

Greatest vision of the low-price 3! Plymouth's new Full-View windshield, with cornerposts gracefully swept back both top and bottom, gives you the widest, safest vision of any low-price car.

Newest power features! Plymouth alone offers full-time Power Steering, and all the other energy-saving power assists (at such low cost they'll hardly affect your monthly payments!). And you get many features that other low-price cars don't have.

Come in and drive this big beauty today!

Why pay up to \$500 more for a car smaller than Plymouth? Don't be fooled by the claims of medium-price cars that they cost practically the same as Plymouth. When you compare price tags, you'll find that, model for model, Plymouth sells for much, much less, and gives you more car for your money!
