

### B'ham YMCA Planning New England Tour

The Birmingham YMCA in conjunction with the Travel club of the Detroit YMCA announces an interesting vacation tour to New England July 2-10 for men and women. Part of the trip will be by train and the remainder by chartered bus through some of the scenic New England country. The group will leave Birmingham for Detroit on Saturday morning, July 2 to board the New York Central Empire State Express for Albany, New York.

THE group will enjoy nearly a week in the beautiful Forest Hills Lodge at Franconia, N.H., in the White mountains. Their stay at the lodge will include twin bedrooms with bath and three

meals a day. In addition, all of the facilities of the hotel will be available including the golf course, trout fishing, swimming pool, riding stable, and complete social program.

THERE are many interesting places to visit in the area: Cannon Mountain Aerial Tramway, the Old Man of the Mountains, Flume

Gorge, Lost River, Mount Washington, Cog Railway, and Crawford, Pinkham, and Dixville Notches are some of the places you will want to see.

The return trip to Albany will be by chartered bus on Saturday July 9, and on Sunday the New York Central Empire State Express will bring the group back to Detroit.

Any adult interested in going on this trip should contact the Birmingham YMCA.

### School Bus Fleet Increased to 22

Three school buses, of which two are new additions and one replacement, have been purchased by the Birmingham board of education. The increase in secondary level enrollment warranted the purchase of the new buses which now give the school district a total 22 buses.

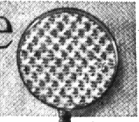

TICKET SALES DISCUSSION by Mrs. Homer V. Finch, seated, Mrs. George A. Sold, center, of Troy, and Mrs. John H. Sutton, right, at Mrs. Sutton's home, is a forerunner of the June 10 Junior Friendly league dance. Dave Farley's orchestra will play for the event at Bonnie Brook country club.

WHEN THREE YOUNG mothers gathered for an Eccentric photo concerning Junior Friendly-league ticket sales, they preened for the photographer, and then laughed. They saw on the opposite side of the room their youngsters watching the photo-taking. (Both Eccentric Photos.)
