Families Home from Florida Report Good Luck Fishing

Good catches for a group of Beverly Hills residents when they were deep sea fishing in Florida recently included fish for mounting and fish for eating.

Staying at Daytona Beach at the same time were the Charles Vogel of Bensenville, with their daughters, Lyne and Ann; the Lee Durhams of Worcester, and Mr. and Mrs. William Bricker and their children, Sally and John, of Beverly ridge. Vogel caught an eight-foot snail fish and Bricker a hammerhead shark. They also landed many fine blue fish and Durham proved to be the perfect chef in preparing them. One large blue fish provided food for the entire group.
