What's happened to the old-fashioned mother?

She's still around, really—but you'd never recognize her for she's not only Mother cum laude, she's teacher, economist, dietician, program chairman, chauffeur, "account" executive, et cetera, et cetera, et cetera ... and pretty as a picture besides.

She likes pretty things, too—the things that keep her young and gay—like Fabergé.

For your favorite mother, we have a complete assortment of delectably gift-boxed perfumes, colognes, bath powders in her favorite Fabergé fragrance*
