#### THE ARCHITECTS' design of the new office rental building which is under construction by the Reid Development Company on Adams at Webster. It is expected to be ready for occupancy by next March.

### Rental Offices Being Constructed

Construction has begun on a 3,300 square foot general office building on the Northwest corner of Adams and Webster, which will have 11 offices available for single or multiple rentals.

The building, which is being constructed by the W. E. Reid Development Company, was conceived for the "purpose of bringing about more office space in Birmingham."

Hamilton H. Paterson, president of the company, said:

Each single office will be 240 square feet in size, and will be available for multiple use if desired.

Included in the features of the building will be a summer air conditioning unit, a hot air heating unit and an acoustical ceiling.

The offices are expected to be ready for occupancy by March 1956.
