Cornerstones To Be Laid At Franklin

The unique second stone was purchased through birthday offering given by the church school children. The pupils themselves selected the material to be sealed in a special box with their stones.

Following the church's regular 11 a. m. services, a procession of church school children, the three choirs, and members and friends of the church will proceed to the new site two blocks west of the present church building at 29104 German Mill road.

Representatives of various church organizations and community groups will participate in the ceremonies. The public is invited to attend.

THE REV. Robert J. Searls will be assisting in the ceremonies by church historian Bert Wood, who will explain the contents of a box to be sealed with the stone. Wood has selected items of historical interest for inclusion in the box.
