

CONGRATULATIONS TO THE BIRMINGHAM JUNIOR LEAGUE

Furs by Robert salutes the Junior League of Birmingham on its first "Follies." This worthwhile and entertaining show is certain to benefit those who participate . . . those who attend . . . and most particularly, those to which the funds are aimed . . . the Birmingham Branch of the Pontiac Child Guidance Clinic.

Plan now to enjoy the first in what we sincerely hope will be a long, successful series. See the Junior League Follies next Wednesday, November 9, or Thursday, November 10. Tickets are available at the League Shop on Hamilton . . . or by telephoning Mrs. Paul McKenney at Midwest 4-1259 . . . or at the Birmingham Theater Box Office on the nights of the shows.

Good luck Junior League! We at Furs by Robert wish you great and continuing success!
