Troy Okays $1,500,000 Bond Issue

TROY — Voters turned out in small numbers to approve a $1,500,000 school bond issue Monday. Only 625 votes, less than 16% of the eligible voters turned out. The final tally showed a margin of 146 votes, with 383 voting yes and 237 no.

SUPERINTENDENT of school Stuart K. Baker said he "expected a higher voting percentage."

Top priority in the building program as result of the bond issue favor the 11-classroom elementary school which will be constructed south of 16 Mile between Livernois and Rochester.

Another important need is at Baker Junior high where overcrowded conditions exist.

Additions of five class rooms at Big Beaver and seven at Troy elementary No. 2 are also important projects in the program.

SCHOOL TAXES will be raised $10 on a $1,000 assessed valuation next year to pay for the new bonds under the 25 year retirement plan.

In a breakdown by precincts the voting went 106 yes and 55 no in precinct one; 142 yes and 110 no in precinct two and 135 yes and 74 no in precinct three.
