FULLY AUTOMATIC WATER SOFTENER

Not 50%, Not 75% But 100% Automatic
It Regenerates While You Sleep

This completely automatic softener regenerates itself. Precisely it was necessary in so-called "automatics" for somebody to pull a lever, or turn a switch or push a button, and to remember to do it at the right time. Not so with the Bruner Fully Automatic. Its marvelous built-in "memory," the electric calendar clock, remembers for you, and your softener regenerates just when it should, "while you sleep!"

TEXTURED WALL PANELS
weldwood
SEA SWIRL
The uneven wood texture of this paneling forms pleasing swirls and contours—blends perfectly with any decorating scheme. No knots or other wood growths on the panel face. May be given a natural finish—stained or painted. Two-tone finishes can be applied for contrast. Easy to install—over any wall. Do it yourself! It's easy! Use Sea Swirl panels for constructing built-in, cabinets and furniture, too.

A better way to regenerate your water softener!

More and more people are discovering that Diamond Crystal Softener Salt Nuggets meet every requirement of a perfect water-softening salt. With Softener Salt Nuggets there's no sludge to clean out or to impair the working of the zeolite. For these nuggets combine the purity of table salt (99.9% pure) with the large-surface dissolving characteristic of rock salt!

- 1 Nuggets are perfectly sized and shaped to allow water to percolate through. There is never any channeling!
- 2 Nuggets are easy to handle. There's no caking! Use as you would any other salt!
- 3 Nuggets are ideal for both single-tank units, or softeners equipped with brine tanks!
- 4 Nuggets have been tested and approved by the leading manufacturers of water-softening equipment!

Available in 25-lb., 50-lb., and 100-lb. bags.
