PTA Fairs May Worry Chairmen Seeking Funds

Parent-Teacher association money-raising can be fun or up through sixth grades the in Birmingham.

With hardware and a second a secon

Parent-Teacher association money-raising can be fun or can be a real worry, according to officers of such associations in Birmingham. With bodgets raining from a have a money-making booth during times feel like they're working can be to 1500 chairmen their let of fairs or card parties loap some times feel like they're working card backets and the state of the times feel like they're working card backets and the state of the times feel like they're working card parties loap some times feel like they're working card parties loap some times feel like they're working card parties loap some times feel like they're working card parties loap some times feel like they're working card parties loap some to state the state of the period of the probability of the period of the period of the probability of the period to be proud of the probability of the period to be proud of the probability of the period to be proud of the probability of the period to be proud of the probability of the period to be proud of the probability of the period to be proud of the probability of the period to be proud of the probability of the period to be proud of the probability of the period to be proud of the probability of the period to be proud of the probability of the period to be proud of the probability of the period to be proud of the probability of the period to the period to the probability of the period to the period to

Recalling the day in July, 1950, when Birmingham switched from manual to dial operation telephones, some 100 former telephone operators will be gathering, tonight for dinner and much reminiscing at Rotunda Inn on Pine Lake.

Lake.

Attendance of the reunion, mainly from the 200 who were at work at switchboards at time of the switch-over, has risen from 40 two years ago, to 60 last year, and now to 103.

to 103.

Arrangements for the event have been in hands of Mrs.

Ernest Toman of Berkley, Mrs. Frank Hilton, of Shipman,

Birmingham, and Edie White, of Royal Oak, with Mrs.

George Forester sending out cards to all known addresses

of former operators.

At Convo in Richmond

Gertrude Hindelang of Birmingham will be a panel member for the American Society of Women Accountants convention at Richmond, Va. She is among 15 Detroit area accountants attending the three-day convo at Hotel John

Marshall.

Panel topic is "New Trend in Accounting Hechniques, Miss Hindelang is past president of the Detnoit chapter of the society and is currently serving as National award chairman for the American Women's Society of Certified Public Accountants.

Stringed Players

Three Birmingham residents are members of a new string orchestra, the only orchestra of its kind in the State of Michigan. Mrs. William Hohmeyer of Hillcrest and Dory and Offleer Rodgers of Wimbleton have playing violin and viola in the orchestra. The conductor is Emil Raab, Assistant Professor of Violin and Chamber Music at University of Michigan, who also directs the civic orchestra of Jackson. The orchestra is sponsored by the Henry Ford Community college Adult Education program and rehearses each Thursday at 8 p.m. in the Edison Junior high school in Dearborn.

This orchestra provides the only opportunity in the state

Appear in Cathedral

Rehearsals for a forthcoming appearance at the National Cathedral in Washington, D. C., are occupying the spare moments of two Birmingham girls at Mary Saldwin col-lege, Stauthon, Va. They are Marnie Graf, flaughter of Ernest H. Graf of Wimbleton drive and Sie Paterson, daughter of Hamilton H-Paterson of Westwood drive. Preshman Marnie and Sophomore Sue will sing first soprano in the glee club. Both girls were graduated from Kingswood school.

Kingswood school.

Choir director Gerdon C. Page is preparing the program which the 85-voice Glee club will present to Washington audiences during their annual appearance at the cathedral.
