

If she
were yours
you'd
give her
everything

This little girl, this imploring face is typical of the innocents that need your help. If you could only see the good you have done with your gifts to children, the handicapped, the aged, the homeless, the thousands that benefit from your one big contribution. Throughout the nation, your Detroit and you are acclaimed for the Torch Drive and the United Foundation. Your generous support opens the eyes of others to their moral duty. Only you can put the heart in Detroit and show that giving makes America great.

HOW TO HELP

—At work you can make your donation under the Chapter Plan—arrange to have your contribution deducted from your pay check.
—At home if the Chapter Plan does not reach you, volunteer workers will call to give you the opportunity of making your own personal contribution.
