CADILLAC for 1956

Top to bottom—Eldorado convertible, Sedan de Ville, Sixty Special

Presenting the Most Inspiring Motor Cars the World Has Ever Seen!

You are looking at three of the most magnificent creations ever to issue from the drawing boards of Cadillac's designers and engineers.

These spectacular new Cadillacs—in company with the other brilliant Cadillac models for 1956—introduce a standard of automotive excellence that will find no counterpart on the highways of the world.

Where, for instance, could you find anything to match them for beauty and elegance? Their long, low, sweeping lines . . . their jewel-like grille and rear-fender designs . . . their brilliant and exciting new color combinations . . . their sparkling highlights of chrome and gold . . . all combine to create a beauty that is truly unique.

Where could you find anything to equal them in luxury? Inside, are fabrics of rare richness and pattern . . . appointments that are beautiful and regal almost beyond description . . . and features of comfort and

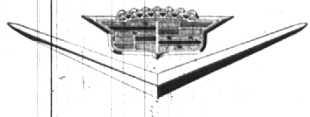

convenience that will delight even the most experienced Cadillac owner.

And where could you find anything to rival them in performance? There's a completely redesigned Cadillac engine developing 283 and 305 horsepower . . . an entirely new, controlled coupling Hydra-Matic Drive . . . advanced Cadillac Power Steering and Cadillac Power Braking.

This extraordinary new Cadillac beauty . . . and this brilliant new Cadillac luxury . . . and this dynamic new Cadillac performance . . . have been interpreted in four separate series and in nine individual body styles.

We sincerely urge you to stop in for a personal inspection and demonstration at your earliest convenience.

We know you will agree that, from every standpoint, these are the most inspiring Cadillacs of all time. And that, of course, means that they are the most inspiring motor cars the world has ever seen!
