Three Sisters and Mother Have Reunion in New York

Mrs. John Johnson of Arlington drive and her mother, Mrs. E. Jones, died of a heart ailment at Willow Run Friday for New York City and a family reunion. They met Mrs. Fremond Hoskins, Sally's sister from Miami. But the big moment didn't happen until Monday when the Maurerians dined and Sally's other sister and her husband, Mr. and Mrs. Manuel Bromberg and children, Susan, 13 and Eric, 6, walked down the gang plank into their ship. The Brombergs toured Europe for the past two years and this was the first time in ten years the three sisters and their mother have been together.

Dr. and Mrs. Robert Gillespie from West Palm Beach arrived Saturday to see their first grandchild. To meet her, they had a 2 1/2 months old son, Mr. and Mrs. Robert Stapleton of Auburn.

Mr. and Mrs. John Caginola registered at the Statler hotel in Cleveland last Tuesday and enjoyed a few days break from the old routine before coming home to Verona Circle. Grandpa and Bobbie while their parents were away. The reunion was cracked. It not broken last week when Mr. and Mrs. Charles E. Grenier, Jr. of Mass. and Mrs. Richard Krajcick and Edythe Weaver were guests of James Montgomery in his summer home in Kewlakes, North Lake. The weekend was spent in following the winding stream and taking in the beautiful woods.

Mr. and Mrs. George Bekker of Dukeshire will host a Saturday evening card club this week. Guests will be Mr. and Mrs. John Caginola, Mr. and Mrs. Howard Collins, and Mrs. Harley Brognieck. Mrs. E. A. Vibbert, Mr. Hazel Hauck and George Ball are East Beverlyites singing in the Congregational church choir this fall. Mr. and Mrs. Herman Lanhoff of Saginaw were weekend guests of Mr. and Mrs. William Phillips of Kewlakes.

NEW ARRIVALS

Lots of excitement over on Arlington today at the Robert Taylor

East Beverly Newcomers Welcomed by Residents

EAST BEVERLY—Welcoming committees are being kept busy greeting newcomers to the area. Mrs. Robert Taylor was hostess to her neighbors on Beverly road last Thursday. It was sort of a "thank you" tea, thanking her neighbors for being so friendly and helpful when the Taylor family moved into their new home from Toronto this summer.

Guests at the tea were Mrs. Robert Bentz, Mrs. Clarence Barkley, Mrs. Michael Dalida, Mrs. Virginia Beale, Mrs. James Fenley, Mrs. William Frazer and Mrs. Jesse Hall.

Four children complete the Taylor family, Rita Rose, 10 months old, Lee, 3 years, Jacqueline, 5, and Colleen, 6.

Bob Taylor is a sports enthusiast with golf on the top of his list. Member of the Knights of Columbus, he is branch manager at Ditto Duplicating Systems and Machines.

Mr. and Mrs. Herman Dishman, former Detroiters, moved to Kirkshire in August. The Dishmans have four children and two grandsons. Herman, Jr., his wife and son, Jack Edward, live in Roseville. Daughter Virginia, now Mrs. Kenneth Foley, lives in Brockton, Mass. with her husband and 11-month-old David Allen.

Ralph Harlan, 19, an assistant buyer for Ernst Kern Co., and Sandra Bernice, 15, a Birmingham high school student, are still in the area.

Mrs. Dishman enjoys sewing, especially hand embroidery. She is employed at Detroit Edison, bowls for relaxation.

Mr. and Mrs. Bernard Mazurek moved into their new home on Sheridan this summer. Their oldest son Dick is in his second year of pre-med at Wayne University and Bernard is in the Engineering service in the Army. He is home on leave but will leave this week for overseas duty.

Mazurek, a member of the Knights of Columbus bowling league, is plant superintendent at Auburn Heights Manufacturing Company.

Mr. and Mrs. Charles Hommel, Jr. and children Chuckie, 5, Jimmie, 1 and Cathleen, 2, are getting settled in their new home on Verona Circle. The Hommels enjoy music and when evening comes and the little ones are tucked in they love to listen to records. If they feel a little licker they go square dancing, which they call their "together" hobby. Hommel is interested in photography and is employed at the Power Boiler Bearing. Mrs. Hommel is an alumna of St. Mary's Academy of Monroe and he is a University of Detroit graduate with a major in business administration.

Mr. and Mrs. Howard Sullivan of Sheridan drive are recent newcomers to East Beverly from Detroit. Their daughter, Gail Hand Miami Gail hopes to become a physical education instructor and

is looking forward to water skiing and tennis this year.

Mrs. Sullivan just returned from Miami after getting her daughter settled and was pleased that a Birmingham girl, Sally Kelly, is Gail's room mate.

Sullivan is a golfer and Mrs. Sullivan has a collection of cups, saucers and plates which she enjoys adding to. At present she has sets from Germany, France, England, Canada as well as ones from the states.

The family attends Bushnell Congregational church on Southfield. Sullivan is material control manager at Ford Motor Co.

Although Mr. and Mrs. Ray Ewell and daughters Nancy, 9, Virginia, 7, and Janet, 5, moved from their old home on Lincoln to the house they purchased this summer on Auburn drive they feel they are really camping out.

Just a few weeks after purchasing the house they had a fire. The whole roof was destroyed and second floor bedrooms and even the kitchen had to be given a thorough face-lifting job.

Before this was all completed, they had to move in so they are living in cramped quarters downstairs until the plastering, painting and roof are finished. However, they do not regret the move to

children. Sandra, 7, George, 4, was held at the home of Mrs. T. R. Myers, 18850 San Quentin, Co. hostesses were Mrs. T. E. Toki and Mrs. R. V. Snyder. T. H. Myers, president of Southfield Kiwanis, and Mrs. Myers attended the Kiwanis four-day convention in Lansing.
