

Vandals Invade Crooks Cemetery

TROY—Vandals cut a wide swath in the Crooks cemetery between 16 and 17 Mile roads—toppling over dozens of tombstones, several of which were broken. Police Chief David Grattopp said the vandalism took place in the older section of the cemetery. Flowers and vases were pulled up and thrown aside. Several of the stones were broken beyond repair, according to DPW Chief William Renshaw. Damage was discovered Thursday.

E. Lincoln Paving Postponed Till '56

Because the bids were considerably higher than city estimates, paving of Lincoln, east from Eton, will await next year's program. Commissioners also postponed a decision on necessity of the paving until next spring when an application may take place of a small Troy township piece at the east end of the street. This may affect the size of the special assessment district should the authorization vote be favorable, it was explained.

An estimated 18,000 people moved into Oakland County each year during the five year period from 1950 through 1954. This fact is shown in the population studies of the Oakland County Planning Commission.

Host to Bowlers

Mrs. P. E. Cartwright was hostess at a bridge party at her home on Brookwood last Wednesday afternoon. Her guests, members of the Franklin Village Bowlers who had bowled that morning, were Mrs. Louis S. Morse, Jr., Mrs. Clifford Baugh, Mrs. Clifford Dixon, Mrs. Thomas E. Dutton, Mrs. Herbert Weissinger, Mrs. Mitchell Deeb and Mrs. Lewis Evans.

Knox-Worth Sewer Project Abandoned

Neighborhood objections to proposed sewer lines on Worth and Maple avenues prevailed Monday night and city commissioners abandoned the project. The engineering department had suggested the \$13,000 replacement because present sewers were shallow, flat, causing several basement floodings in heavy rains.

AMERICA'S FOREMOST FOOD RETAILER . . . SINCE 1859

Customers' Corner

Anniversary Album

You can see by A&P's up-to-the-minute methods of food distribution that we definitely don't live in the past. But, like most oldsters, we do cherish our memories. We've collected quite an album full since 1859. But there's always room for more. And this month, as our 96th Anniversary rolls around, we're adding to our fond recollections of those who have contributed to A&P's steady growth.

Among them are the thousands of loyal A&P employees whose untiring efforts have helped us carry out our founder's policy of bringing more good food to more people for less money, and the millions of customers who have shown their approval of this policy by their continued support and patronage. We're mighty proud to have so many friends represented in our album of memories and hope to add many new ones in the coming year.
