

Hills Schools Add Five New Bus Routes

Opening of the new Bloomfield Hills high school next week necessitates an increase in bus runs, according to Irving Menotti, assistant superintendent of schools. Last year there were eight runs. This year a total of 13 will carry the children to the respective schools, he said.

Buses will pick up and discharge children as close to home as possible along the scheduled routes, and all children are expected to be on the stops several minutes before the bus arrives.

Returning buses will travel the same reversed route.

These are the bus routes which will be followed: Buses 1 through 7 will end runs at the high school at 8:20 a.m.
