Baptist World Congress Delegate Tells of Trip

By the REV. EMIL KONTZ, D.D., Pastor, First Baptist Church

Most worthwhile experiences have three phases. First, there is anticipation, the matter of planning and preparing for the event. Next, there is participation, the actual experience of sharing in the realization of the project.

Certainly, a trip to Europe involves all three of these aspects. During this summer, it was my privilege and pleasure, along with Mrs. Konzt, to have the enjoyable and educational experience of a trip to Europe.

Thanks to a generous church, I was able to make the journey in a manner that insured maximum comfort and opportunity. Now, seven weeks and over 14,000 miles later, we have a treasure of interesting impressions, observations and memories.

FROM FIRST Presbyterian comes the announcement of the Sept. 8 meeting of Eastminster guild. Members will convene at the church at 1 p.m. The program will feature a review of the Book of Hebrews, given by Mrs. Robert Z. Watt.

BHAM ECCENTRIC Page Thursday, September 1, 1955... opportunity of a quick, enjoyable Atlantic crossing. And it would be a change from the return trip by steamer. So, our faith was again vindicated, "calamity was averted into blessing!"

There we boarded a huge trans-Atlantic plane at Idlewild International Airport for Paris, and so on that it takes to tell, our giant metal bird was nesting to way through the blue toward France, Newfoundland.

THE PROBLEMS of stranger thousands of miles away had not even the most remote relation to the bright prospects of our trip. Suddenly, however, the shocking news leaked from the front pages: "Queen Mary Sailing Cancelled!"
