Church Activities in the Birmingham Area

Baptist World Congress Delegate Tells of Trip

By the REV. EMIL KONTZ, D.D.
Pastor, First Baptist Church

Most worthwhile experiences have been those that
First, there is anticipation, the matter of planning and pre-
paring for the event. Next, there is participation, the actual
experience of sharing in the realization of the project.
Finally, there is recollection, the meaningful remnants
of the occasion and its significance.

Certainly, a trip to Europe was one of the most
memorable experiences of my life. I was there to attend the
First Baptist Church of Birmingham, Ala., the Baptist
World Congress held in London. The Congress brought
about a new era for the church. It was a time of
reflection and growth.

The Congress had been planned for several years,
and I was honored to be a part of it. The event was a
breakthrough in the history of the church, as it
represented a step forward in the global
missionary efforts of the church.

During the Congress, I was able to meet many
distinguished leaders of the church from around the
world. We shared ideas and experienced a sense of unity.

The closing session was one of the highlights of
the Congress. We gathered in the church's large
auditorium to hear the closing address. The
address was given by the Reverend Dr. W. A. Jones,
who spoke on the theme of "The Church as a
Worldwide Body." His words were powerful and
inspiring.

After the Congress, I was left with a sense of
accomplishment and a renewed dedication to the
church's mission. It was a time of growth and
development.

I believe that every experience, no matter how
small or insignificant, can have a significant
impact on our lives. The Congress was a reminder
that we are all part of a larger whole, and that
our actions have consequences.

The Congress was a success, and I am proud to have
been a part of it. I look forward to seeing what the
future holds for the church and for the world.
