God Bless You Swanson Poses Fair's Funds Against Firing

The Fund directors association is one of the leading educational and social organizations in the city. The directors are most interested in the welfare of the children and have decided to make a large contribution to the Fair. They have agreed to contribute $5,000 to the Fair, and this will be paid in full by the end of the month. The directors hope that this contribution will help to make the Fair a success. They also hope that other organizations will contribute to the Fair and help to make it a success.
