Too-Flowery Praise Often a Hindrance To the Recipient

MAKE IT A Pontiac
for a good deal and a good deal more!

We're matching Pontiac's record sales with record-breaking trades!

You can put this down for a fact. You won't much out deal anywhere else in town because this buy off double.

For a start, you get an appraisal too good to pass up. We're out to make September another record-making month, and all trades are figured on a volume basis. Your car cost considered a better deal than as high per when it does will go.

For the unlikely, we'll get our car and make up at 100% of anything new in our price, designed and engineered today for you. You'd get it this isn't the time to sit for our. You'll get the advantage of the best of both worlds, the high in your own price, the inventory.

You'll get the latest in the most up-to-date on our
trade-in. But that's the only day to make your move. Come in for the deal and the double payoff and save money in a big, big way.

Pontiac is the head of the half a million owners — you'll never make a better buy.
