Summer Ends, Residents Begin Fall Activities

This past weekend found many Grayfield-Derby residents returning to their homes after spending some vacation months away. Among those returning were the F. E. Kimmels of Grayfield, the T. J. Company of Derby, the A. A. Victor of Grayfield, and the W. B. Forman of Derby.

A recent letter from Mrs. Charles Brown of the T. J. Company in Grayfield to Mrs. William Victor of Derby mentioned the concern of some Derby residents that there is no park in their area to enjoy. Mrs. Brown suggested that the Derby residents consider organizing a park, perhaps with the help of some of the vicinity's most active citizens. She also mentioned the importance of such parks in fostering a sense of community and providing a place for residents to relax and enjoy nature. She suggested a meeting be held in the near future to discuss the feasibility and potential of creating a park in the Derby area.
