Managing a summer hotel in summer and teaching and playing string music in winter is the year's outline for Mrs. Neva Fossenkemper of Vinewood.

Mrs. Fossenkemper returned recently from Lakeside, O., where she operated the Auditorium hotel, named for the huge auditorium where 2,000 people a night hear talks and special programs, as in Chautauque, N. Y. It was her 11th summer in the 28-room hotel.

RESUME teaching of stringed instruments and orchestra in Royal Oak public schools, in June. Adams joined and three elementary, she went back also on Tuesday night to playing in the Detroit Women's Symphony orchestra.

A violinist, she plays under the orchestra conductor, Victor Kolar, from 7 to 9 each Tuesday. Concerts usually are played twice a year, but in past years some special ones are scheduled.

TIME TO GO Pontiac

for a good deal and a good deal more!

Pontiac gives you more beauty, size and power—and record-breaking sales mean record-breaking deals!

When we say a "good deal" we're being plenty conservative. Actually our deals are terrific—and here's why.

Right now, we're reaching for a new sales record in September to match the record smashing sales of the months past.

We're going all-out to get it done—trading with a freshness we've never touched before. In fact, until you get our appraisal, you'll have no real idea how much your present car is worth.

And that line about "a good deal more"—that's another understatement. It's a matter of record that Pontiac combines greater beauty, size, power and

stability than cars priced hundreds of dollars more. It's a tremendous bargain even without benefit of a special deal.

It's the most beautifully distinctive car in America—*"Big name"*.

It's a big car! That rugged, shock-proof chassis has a 122- or 124-inch wheelbase—just what it takes for a smooth and steady ride.

And the Strato-Stroke V-8 is right out of the future—the newest and most advanced automotive power plant of them all with the most exciting performance you have ever enjoyed.

Close in for the rest of the facts—and the amazing figures that prove how easily you can own a high-powered, high-styled Pontiac.

Make it soon. There's a limit to how long we can keep trading at this rate.
