**Ranch Homes Inc. Opens New Offices**

Ranch Homes Inc., one of the leading home building firms in the Birmingham area, last week moved into their new office building at 2224 Teller Road. Visitors to a private showing of the offices last week toured the modern two-story structure with polished brick exterior on almond white, with fortress-like appearance of California redwood and large glass expanses.

BRIXTON, who designed the offices, stated that the main feature of the new building will be the lobby, which is 20 feet square. The lobby will be used for sales purposes, and will have a large display window that can be used for advertising purposes.

ALEMITE CORP. WILL LOCATE IN B'HAM

Alemit Corp., a Michigan boro in the city, plans to locate in Birmingham, according to a report. The corporation, which is engaged in the manufacture of electronic equipment, will build a new plant in the city, which is expected to be completed by the end of the year.

SAHLIN ENGINEERING CO., INC., OF 750 W. Maple, this week introduced a redesigned portable press under a program which they believe will be ideal for job shop use because of its flexibility.

**Introduce New Press Unloader**

A completely redesigned portable press unloader with a new swiveling feature for side or back unloading was introduced today by Sahlin Engineering Company, Inc., 750 W. Maple.

The new machine can be moved easily from one location to another, and can be set up in a shorter time. The machine is equipped with a swivel hub, which can be easily adjusted for different jobs. The machine is also equipped with a quick release mechanism, which allows the operator to remove small parts in a few minutes.

**Reveal Architect Contest Winners**

The American Institute of Architects, Detroit chapter has announced the winners of the annual Architectural Contest. The winners were selected from a field of 50 entries submitted by 30 architects.

The first prize winner was Mr. J. E. Judson, of Lansing, who designed a modern house in Detroit. The second prize winner was Mr. W. E. Smith, of Dearborn, who designed a modern house in Grosse Pointe. The third prize winner was Mr. W. E. Smith, of Dearborn, who designed a modern house in Grosse Pointe.

**New Bowling Alley Opens Next Week**

The new bowling alley will be located at 2224 Teller Road, and will be open next week. The alley will be operated by Frank Roberts, who has been operating a bowling alley in the same building for the last year. The alley will be open to the public every day, and all games will be operated by the management.

The business was in former building of Mommy Sams in that city.
