Mrs. Graham Gurney, Williamsburg, originated at luncheon last week at Bloomfield Hills country club. Following the luncheon, Gurney played bridge on the street porch of the club. Prizes were potted house plants.

Friends of the M. S. Rosenbergs, Broadway boulevard are being told that their daughter Carol is recovering with no ill effects from her June attack of polio while studying in Paris.

In June Carol graduated from Carnegie Institute of Technology in music, majoring in piano. Immediately following her graduation she went abroad to further her studies in piano.

Carol now is out of all danger and is recuperating at the French Riviera, just sunning and relaxing. She hopes to resume her work soon as she has regained her strength.

Mr. and Mrs. Geo. C. Allen and their two children, Susan and William have just returned after three weeks vacation in San Francisco, Calif.

Mrs. William Bullock and Mrs. F. G. Richardson Jr., both of Tisbury, went on a trip to Kenosha, Wis. last week to visit Mrs. Bullock's parents, Mr. and Mrs. T. G. Graham.

The Kraus's twin sons, Jim and Jerry have returned to their respective schools for their sophomore year. Jerry is back at Cornell in Ithaca, N.Y., where he is studying engineering. Jim is at Denison university, Granville, Ohio where he is taking business administration.

Fall Fair Plan At Poppleton

Fall Fair plans were initiated when the Poppleton Parent-Teacher association met recently at the school.

The fair, of which Lloyd Stage is chairman and will feature greens named by Mrs. Robert Beecher and Mrs. Leonard Fandale, fancy work under Mrs. Waddell Wardrop's supervision, a lake sale set for August by Mrs. Stage, refreshments by Mrs. Alex Tunstall and Thomas Rector.

Dinner will be in Mrs. Orville McDiarmid's charge.

Committee details will be furnished at the Oct. 13 meeting of the PTA.

AT THE RECENT meet, held at the home of Mrs. Alex Tunstall, Suite of Schools, Stuart K. Baker, and elementary exercises coordinated by John Bro. With the long school taking into the Clawson school district, and 130 new students living north of 13 Mile assigned to Poppleton school, space is entirely used for classroom.

Thus, the panel brought out next year might cause half day sessions if the bond issue is not approved.
