

### Larger Goal Means More Volunteers

The \$14,450,000 goal set by the United Foundation for the 1955 Torch Drive Oct. 18-Nov. 10, means more volunteers will be needed in Birmingham, Bloomfield Hills and Franklin than ever before, Mrs. J. Hawley Otis, Harbor Terrace, Bloomfield Hills, area residential chairman, said today.

"The higher goal, highest ever set for a fund-raising drive of this kind, means more of us must work together, and work harder than ever before," Mrs. Otis declared.

"Reasons why a larger goal than ever before is necessary this year were quite ably summarized by Nicholas Kelley, Jr., Chrysler Corp. secretary and president of the United Foundation, before the Corporation gifts committee of the UP at a recent meeting," Mrs. Otis said.

### Flags Given by Piety Hill DAR to Beverly, Pembroke

Flags, which originally had the 1949 new Birmingham school design, but had been replaced in such fine quality, were presented before assemblies of the two student bodies last week, as the Daughters of the American Revolution marked Constitution week.

Ceremonies of the four freshmen were highlight of programs sponsored from his wheel chair by Michael Wilkinson at Pembroke school.

There, George Pennell in his Boy Scout uniform accepted the flag.

At BEVERLY School, children sat in the gym floor for the 15-minute program in which the flag was presented by Mrs. Royce L. Beers, as she had done at Pembroke.

Mrs. Beers told youngsters of her recent trip in the Orient, giving details of school life, as she

represented Piety Hill chapter of the DAR.

THE PEMBROKE program was presented by Mrs. Louise Dallas' fourth graders for two assemblies. Mrs. Dallas is a Piety Hill member. Also marking Constitution week, 12 chapters met last week at the Highland Park Congregational church, with State Recruit Mrs. Clarence W. Weaver of Birmingham presiding.

"HE POINTED out, first, that our Metropolitan Detroit community has grown, and then, the population has decentralized into new and expanding neighborhoods and suburbs."

Second point, Kelley cited was that juvenile delinquency affects all kinds of neighborhoods, knows no boundaries of city or county lines.

### Buses Only for Class Projects, Decides Board

School buses will not be used to transport students to any events or projects unless directly pertaining to the educational curricula of the schools, it has been decided by the Birmingham school board.

"THE STATE consistently has warned school districts about using buses for events where students are transported as spectators, such as athletic contests," said Dwight D. Ireland, superintendent.

Should buses be permitted for classroom educational projects, but public carriers will have to be used for recreational and athletic events, the board decided.
