

SUSAN HALL, 1955 TORCHLIGHTER
Her deafness
doesn't keep her from smiling.

*she knows...
you are the heart of Detroit*

Susan's sunny smile thanks you—because you and your heart have agreed that giving once for all is the Detroit way of giving help and hope to others.

This year, more than ever, the United Foundation's Torch Drive needs your help. This year, as in the past, there are 150 good reasons why you should open up your heart and give to the 1955 Torch Drive. The list of participating agencies ranges from orphanages to old people's homes . . . from medical foundations to recreation centers. Together, they offer hope to people who have lost all hope . . . help the blind to see and the lame to walk.

Open your heart, then your pocketbook, when the Torch Drive volunteers come calling on you. Give generously! Or arrange with your employer to make your contribution through the payroll contribution plan.

1955 Torch Drive / OCT. 18 thru NOV. 10
