Dressing Room's A'flurry with Fashions

PEEKING into the dressing room at Forest Lake's dress shop last week were two golden-haired beauties. They were Miss Ann Martin and Miss Alice C. Seabrook, official costume decorators for the film "Gone With the Wind." They were discussing the wardrobe needs of the cast and the production staff. Miss Martin is the costume designer for the film, while Miss Seabrook is the wardrobe supervisor. They are both members of the Academy of Motion Picture Arts and Sciences and have worked on numerous films.
