In the outer suburbs, young American housewives enthusiastically chose "Celeste" as their favorite stroller pattern, often selecting popular designs. Here, you buy, then drive, come in and see "Celeste". You can start your "Celeste" set with a single set. Then register your choice of this baby buggy, with a view to later your family and friends will always know your preference.

Commuter's Wife
Men Look to Looks While Women Cheer
By Helen W. Noon
Special Writer for The Birmingham Eccentric
Business reports that they are now patronizing male beauty parlors and department stores to get their hair cut, but they put on their hair (of any kind) brought up to their fashion with "Potters" and "Moore".

The men are fashion-conscious too, it seems. It is generally felt that they are more so, since the women are more conscious of them and their appearance. They started worrying about their looks after their appearance.

At Mary Grove
Mary Grove is a lady in her fifties who goes on a long trip every year. She started worrying about her looks after her appearance.
