New Teachers, First Dance Among Openers

By JAN REETZ

SOUTHFIELD Hi—New faces are common on the faculty this year, for the commercial department is being graced with three new teachers.

Mary Alice Carter, Miss Hannah Della, and Miss Jeanne Schuler are the newest members of the staff.

Miss Carter, the new secretary, has been a very popular figure on the staff for the past year.

Miss Della, the new teacher, has taken over the "crying room" at the school and is already well liked.

Miss Schuler, new teacher, has been a favorite with the students during her short stay at the school.

The first dance of the year was held last Saturday night at the school. The dance was well attended, with many new faces visible among the students.

Desserts were made by the new teachers, with chocolate cake and apple pie being favorites among the students.

The dance was a success, with many new friendships being formed among the students.

SMILE A MINUTE

A smile has earned the title of "Best Smile of the Week" more than once at this school. It is a popular event among the students, with many new smiles being added to the list each week.
