Still Buying Horse-and-Buggy Insurance??

The insurance is an old and tried friend, but today's HOMEOWNERS POLICY makes it look like horse-and-buggy coverage.

HOMEOWNERS POLICY actually jumps four policies into a single contract, insuring not only against loss by fire and lightning, but also by windstorm, hail, explosion, aircraft, motor vehicle, riot, smoke, vandalism, malicious mischief, glass breakage, theft, and other everyday home hazards.

Modernize your insurance. Get a program instead of a policy. With HOMEOWNERS POLICY there's far less chance that you'll have an uninsured future loss. Broader protection, better insurance is yours, and in most cases, comparison with individual policies will show a premium saving of about 25%.
