2nd Important Parking Step Coming Monday

BY GEORGE W. AVERILL

Shortly after eight o'clock next Monday night, roughly 200 people, including car owners and business men, will go to the city council meeting at 6:30 p.m. to discuss the parking problem. They expect to establish the method of future business men and make a decision on the parking in the area.

The city council will be meeting on the second floor of the city hall. The parking area will be open from 6:30 p.m. to 9:30 p.m. and parking will be free. The parking lot will be closed from 10 p.m. to 7 a.m. on weekdays.

Make 'Final' Effort to Stay In Sewer Project

Bill Dagle, former Michigan Electric, Inc. president, has said that the city of Birmingham is planning to expand its sewer system by adding a $1 million sewer line. The line will be extended from the city's present sewage treatment plant to the new plant.

According to Dagle, the city's sewage treatment plant is located near the center of the city. The new plant will be located on the north side of the city.

The city council has tentatively approved the addition of the new sewer line. The line will be completed by the end of the year.

Former Governor Is Turnpike Aide

In the spring of 1955, former Governor William G. Milliken took the position of executive director of the Michigan Turnpike Authority. In this position, he is responsible for the operation and maintenance of the turnpike system.

Real School Work Being Felt Today

The Birmingham High School had its first day of classes on September 8, 1955. The school had 1,200 students, and 80 teachers.

Undo Indoor Pool, Architects Asked

Birmingham high school students used a swimming pool in their school this summer. Work has not started, but the pool is expected to be ready for use next school year.

For Some Time Past, Doug Wagoner, 18, had been planning to build an indoor pool in the city. He was looking for an architect to design the pool, and had visited several architect firms.

Doug Wagoner Says 'No' to Race for Top High School Job

The Birmingham High School football team is planning to have an indoor pool this year. The pool will be used for basketball and other sports.

For Mrs. Notable Contributions in Education and the People of the State, Dr. Paul H. Carter (left) of Fenton, Birmingham, receives an award from the State Board of Education. The award recognizes Merit in the field of education.

Kay Baum Slaters Move to Leonard Building Mar. 1

More than 1,000 residential lots in the southeast part of Birmingham may be released in the near future. The city council has authorized the sale of 1,000 lots to the public.

The council has also approved the sale of 100 additional lots, bringing the total number of lots available for sale to 1,000.

The lots are located in the city's southeastern area, near the business district. The lots are priced at $12,000.
