"A saying of the slogan for the collection of rummage such as furniture, clothing, kitchenware, and children's furnishings. "Already two grandmothers have asked us to watch for second-hand high chairs they can use when their grandchildren come to visit," says Mrs. Mechman.

Michigan Migrants To Be Discussed By Women's Group

To bring to members' attention the need for a feeling of responsibility toward displaced persons in Michigan, Mrs. E. J. Barney, program chairman, has planned a special program for the monthly all-day meeting of the First Presbyterian church Women's association. The 10 a.m. to 3 p.m. meeting at the church will discuss the United Church Women's proposed purchase of a station wagon "church on wheels" for use among Michigan's migrant workers. Taking part in the program will be Mrs. Crockett Harrison, Mrs. J. S. Decker, Mrs. R. C. Scott, Mrs. Burley Laurimore, Mrs. Clifford Dunn and Mrs. G. Paul Hogg. Mrs. Loren Blunt is in charge of the worship service, with a solo by Mrs. Sigmund Cervinsky.

DISCOVER THE DIFFERENCE IN DODGE!

This isn't just "big" talk. Dodge actually is bigger all around—up to 7.7 inches longer than cars in its own field, 14.5 inches longer than cars in the field. Dodge is bigger inside, too. More legroom front and rear! More hip room front and rear! Dodge gives you plenty of room to relax in comfort.

Dodge push-button PowerFit makes every other way of driving old-fashioned. It's mechanically perfect—the easiest, safest, surest way of driving ever developed. Just touch a button and go!

Dodge is powered for today's driving! Aircraft-type 260 hp. V-8 engine develops tremendous break-away power!

Solid—that's the way Dodge builds 'em! From the frame right on up, Dodge is engineered to take the roughest punishment. EXAMPLE: Box-section side rails provide greater strength and ruggedness than common I-beam or U-channel type used in most other car frames. Crossmembers are extra heavy. Here's solid dependability.

Who says parking isn't fun? Dodge power steering does 80% of the work, takes fewer turns of the wheel than other cars.
