Handicapped Group Exhibits Wheelchair Square Dancing

Dancers numbered about 350 at a party Friday night sponsored by the Metropolitan Activities club for the handicapped. Sunnybrook golf club was the scene of the event, which was open to the public. A feature of the dance was an exhibition of wheel-chair square dancing by members of the club.

Potted plants and vases of spring flowers decorated the club. The "Duncan Down Beats" provided dance music. On the program were vocal selections by Anna Ferri of Detroit, a club member, and the "Tribble-aires," a barberhop quartet from Royal Oak. The Chabets, father and daughter, presented a roller skating act.

LUNCH WAS SERVED later in the evening. Mrs. Carl Littleton of Butterfield road, Troy, was chairman of the food committee. Serving as dance chairman was Mrs. William Blyth of Ferndale.

This is the first dance the group has planned. Proceeds will benefit their building fund. The members, as a group, cannot attend entertainment in most public buildings in their wheel-chairs, because of fire hazards involved. They therefore hope to build a

one floor structure which could serve as a meeting place and would have room for sports activities, the showing of movies and other entertainment.

THE MACS organized in 1954 and at present have a membership of 65. Any handicapped person over 18 years of age is eligible for the club. Members bowl, swim, play shuffleboard, ping-pong and basketball, go on hay rides and have many other activities. Their next Birmingham meeting is scheduled for 4 p.m. May 20 at the YMCA.
