

Republican Women Name Captains For Fund Drive

Mrs. Brooks Marshall and Mrs. Howard Liverance, chairman and vice-chairman, respectively, of the Oakland County Republican Women's Finance committee, spoke to the West Bloomfield township committee last week in the home of Mrs. Walter Appel of Orchard Lake.

They explained the necessity for the fund drive the women have scheduled for April 19 through May 31 and how the drive is to be organized.

Mrs. Appel is chairman of the West Bloomfield group. Her team captains, appointed at the meeting,

are Mrs. Henry Kane, Mrs. Arthur B. Mowrey, Mrs. Earl Thornton, Mrs. Gordon VanCamp, Mrs. Helen Fay Peoples, Mrs. William Gruber, Mrs. Frank Stroup and Mrs. J. C. Mahannah. Also active in the drive for funds will be Mrs. Max Collier, Mrs. John Quirk, Mrs. Charles Taylor, Mrs. E. S. Hoglund, Mrs. Julius Heinicke, Mrs. J. B. Robins, Mrs. Watson-Stringer and Mrs. George Rapp.

Have You Met . . .

The residents of 2512 Whiteleigh, Birmingham? Mr. and Mrs. Ewald Schmeck and their children, Phillip, 18, and Jean, 15, moved here from Detroit recently. Schmeck belongs to the Masonic lodge and is a member of the Elks club. He and his wife enjoy bowling.

Patsy Palen To Wed Robert Smith Attendants Named For June Rites

Wedding plans are well under way for Patsy Jean Palen and Robert John Smith. Announcement of their forthcoming marriage, June 22, is made by Patsy's parents, Mr. and Mrs. William Palen of Detroit. The bridegroom-elect is a son of the Bert Smiths of Ruffner avenue, Birmingham.

Miss Palen is a graduate of Michigan State University where she was affiliated with Kappa Alpha Theta. Her fiancé will graduate from MST in June. His fraternity is Phi Delta Theta.

THE BRIDE-ELECT has chosen her sister, Polly, to be maid of honor, and her fiancé's sister, Mrs. Robert Pearce of Royal Oak, and Detroit girls, Jessie Flesselmann, Sheila Scott and Sara Mayhew, as bridesmaids. Acting as young bridesmaid will be Jane Layle of East Lansing.

Mrs. Smith honored her future daughter-in-law with a party recently, as did Mrs. Herbert Layle of East Lansing, and Mrs. Oscar Schumann. Among pre-nuptial events scheduled next month is a kitchen shower May 12 with Mrs. Verne Hovey of Beverly Hills as the hostess. Mrs. Waldemar Johnson, Detroit, will entertain at a shower May 17.

Tours, Workshops Observe Mental Health Week

Fifty volunteers from Birmingham Junior League will serve as tour leaders and hostesses when Pontiac State hospital conducts open house April 29 through May 2, in connection with Mental Health week.

Tours, discussion groups, lectures, mental health films and exhibits of patients' arts and crafts will be held each day from 1 to 4 p.m. and also Wednesday from 6:30 to 8 p.m. The patients are helping with the planning and will present a theatrical revue for the entertainment of guests.

Special program, for high school groups, on careers in the mental health field, will start at 7 p.m. Monday.

New Horizons for Research Engineers

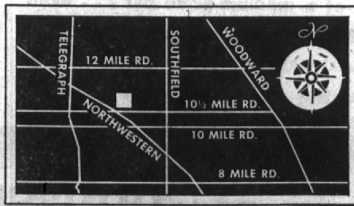

NEW BENDIX RESEARCH LABORATORY LOCATED IN SUBURBAN DETROIT OFFERS OUTSTANDING FUTURE TO RESEARCH-MINDED ENGINEERS AND SCIENTISTS

This summer a new laboratory will be completed at the corner of 10 1/2 Mile Road and Northwestern Highway. This modern, air-conditioned building will provide an unusually creative atmosphere for advanced research and development. This new laboratory will offer ideal working conditions and the opportunity to work with engineers who will respect your opinions and professional status.

The Bendix Research Laboratories are working in the frontier of science . . . conquering the research barrier . . . where tomorrow's challenges are met today! Engineering careers are more satisfying where the work is a challenge. At Bendix you will find this challenge and demand for imagination and creative ability.

The Company's growing program offers engineers and scientists opportunities to work in the following fields:

- Electronics
- Magnetics
- Computers
- Analog
- Digital
- Servomechanisms
- Electric
- Hydraulic
- Radar Research
- Microwave
- Automation
- Machine Design
- Machine Tool Controls
- Physics Instrumentation
- Ram Spectroscopy
- Ultrasonics
- Design and Analysis of Electro-Mechanical Systems
- Aerodynamics
- Systems Engineering
- Solid State Physics
- Semi-Conductor Devices
- High Altitude Instrumentation
- Guidance and Control Systems
- Aircraft
- Missiles
- Tube Development
- Nuclear Physics
- Power Plants
- Reactors

Map shows location of new laboratory at 10 1/2 Mile Road and Northwestern Highway in suburban Detroit.

RIGHT HERE IN SUBURBAN DETROIT! Bendix needs engineers and scientists with imagination and research ability for permanent career positions. Interested?
