**Thieves Clean Out Golf Range Office**

TROY — Every piece of golfing equipment on display at Maple Lane Golf range office was taken by burglars last week after they removed a window for entry. Total value was set at \$1,252 by range manager L. J. Merritt of Utica, according to Police Chief David E. Grattop. The same night thieves entered the Sylvan Glen Golf club pro shop and took six dozen golf balls before resident employees frightened them away, Grattop said. Both the driving range and golf course are owned by the James Robbins Co. Sylvan Glen Pro William Catto, 5800 Rochester road, was owner of the golf equipment taken from the range office, Grattop said.
